

"Tommi is top TT man at Laxey Beach"

Glorious weather greeted the hundreds of spectators who turned out at Laxey to watch the inaugural TT Trial hosted by the Manx Youth Trials Club, sponsored by First Choice Windows.

Four laps of six sections were laid out in a world round/TDN format using tape supplied by "Gas Gas" & "Relentless" to be tackled by the 45 competitors. Once again the top youth riders showed the adults how things should be done with Thomas Maddrell returning an excellent score of 12 dabs on his Sherco in the A class compared to scores of 15 & 19 for the multi crowned Nigel Crellin & Barry Kinley respectively in the Adult Expert class over the same hazards. B class, on the adult clubman route, once again saw Oliver Megson (Sherco) edging out Jordan Birchall (Gas Gas) by 2 dabs with Beta mounted Jake Donnison visiting from Northumberland taking 3rd place.

C class was again poorly supported & was won by Juan Lacey on his Beta. A now familiar story in D class with again Thomas Knight taking the win by cleaning the trial ahead of Sophie-May Smith in second 9 masks back (both Gas Gas mounted).

Steven Teare took B plus honours, while Jack Hunter took C plus & young Ben Collins won D plus. New Island resident Nigel Sharp showed a clean pair of heels to the clubman class ahead of Andrew Cubbon & Damian Owen, with Gary Corlett taking the Sportsman class ahead of visiting American rider Butch Dermerle who took a tie break split on cleans over Barry Teare. Another visitor Tim O'sullivan took the Twin shock class victory on his Fantic.

A massive thanks to Laxey Commissioners, IOM Constabulary & all officials for contributing to a fantastic event - which will be bigger & better next year....
